176th Mail Auction Sale

of

Rare Coins, Medals, and
Paper Money

To Be Sold by Mail Auction

To the Highest Bidder Without Reserve

SATURDAY, OCTOBER 15, 1949

By the Cataloguer

M. H. BOLENDER
1126 BENSON BLVD.
FREEPORT, ILLINOIS

TERMS OF SALE

All bids by mail. We have over 2,500 customers who are interested in these sales. They live in every state of the union, and in some foreign countries. They can not all come to Freeport in person each month to attend an auction. In fact, not one per cent of them could do so. In fairness to those who live at a distance, and cannot attend a sale in person, we request all bids to be sent in advance of the sale, by mail.

Coins will be bought below your bids where other offers permit, as this is competitive bidding, executed in good faith.

Where two or more bids are exactly the same on any lot, or tied, the lot is sold to the first bid received at exactly his bid.

No unlimited bids will be accepted from anyone, at this sale. Mark your highest limit or bid on the bid sheet, and we will buy as much under this price, as other actual bids permit. **Get your bids in before the date of sale.** Don't wait until the last minute. Help us with our work and we will help you get something.

The usual charge of 5% will be made for executing your bids. No charge is made on anything not actually purchased. Postage and express is paid by the purchaser.

Receipted bills are not sent out after your remittance as this is unnecessary. **Your check, draft or money order itself is a receipt. However, if a 3-cent stamp is enclosed we will send receipt.**

Be certain that you bid on the lot you wish to buy. We will correct errors and adjust claims, but you should not expect us to pay for **your mistakes. Be careful** in making your bids. Be sure that you bid on the lot you wish to buy, and **at so much per piece.**

Bids must reach me by the morning of the sale. Mail them in time so as to avoid disappointment. At each sale some bids arrive too late to be executed.

The price lists have to be set up and printed after the sale, and are mailed first class, usually about 15 days after the sale date.

Between the seller and buyer, my position in describing the condition of coins and bills has been neutral. My classifications are generally considered to be conservative by the collecting public.

It is easy to bid by mail. If you do not know how much to bid on any items, write me giving numbers in catalog and I shall be glad to inform you as to values. It is useless and a waste of time to make low bids that have no chance of success. I sincerely hope that each collector acquires some nice lots from this sale that give him a real thrill and joy of satisfaction.

New bidders or customers sending in bids for the first time must positively give first class reference, bank reference preferably, or else send a deposit of at least 25% of the total amount of bids. Otherwise, their bids will not be accepted; application of such deposit will be made

upon successful bids; the seller reserves the right to demand payment upon successful bids before delivery in his sole discretion. To those known to me who have established credit, a reference or deposit is not necessary and purchases will be sent out promptly after the sale. In appreciation of this courtesy the purchaser remits promptly.

The terms are prompt cash settlement after sale, and no time given. Collectors who are not certain that they can pay promptly, are asked not to bid. The coins in the sale are the property of my clients, and I must make prompt settlement for them.

Remit by money order, draft, check, or in any way most convenient. **Stamps accepted for accounts that are below one dollar only.**

All coins and other items are guaranteed genuine, unless otherwise stated.

Please bid by the piece unless stated to bid for the lot. Thus, if there are 12 pieces in a lot and you wish to pay \$6 for the lot, then bid 50c. At each sale someone bids by the lot. Don't do this—bid by the piece. Exception—where stated to bid for lot.

NOTE—A printed list of all the prices realized at this sale will be sent for fifty cents (50c). Send coin or stamps with your bids so as to reserve a price list, or if you prefer, we will add the cost to your bill of items purchased for you at this sale. Keep posted on coin values as they are today, and order a price list in advance of the sale. After the sale they cost \$1. Before, they are 50 cents.

TO WHOM IT MAY CONCERN:

The undersigned placed with M. H. Bolender a considerable collection of rare coins, gold, silver, and copper.

Mr. Bolender conducted a sale that produced excellent results. I have been very much pleased with his knowledge of the subject, which he displayed in the catalogue of 80 pages. This catalogue was written in high class English, printed in first class form, and splendidly distributed, producing hundreds of mail bidders.

His settlements have been prompt and in accordance with the letter of his deal with me, and I willingly bear testimony to his ability, the results produced, and his prompt and business-like methods. I have had a large experience in the sale of rare postage stamps at auction, and have other coin material in sales at the hands of other dealers. I have never received better handling from any source covering in the neighborhood of \$200,000.00 worth of these kinds of material than at the hands of Mr. Bolender, and I can cordially and sincerely recommend him as a conductor of auction sales to any person interested.

Yours very truly,

(Signed) A. L. Schuyler
